WELCOME

Congrats on your engagement!

You're probably overwhelmed with all the wedding decisions, but don't worry, you're not alone. I am here to hopefully help make your lives a little easier during a time that is often unnecessarily stressful for a lot of couples. Just remember, *it doesn't have to be that way!*

I know how important your wedding images are to you. They're the **ONE** thing you have left of your wedding day to look back and remember all the beautiful moments. Because of this, I know how important it is to make sure that the photographer you choose is the perfect fit for who you are and the day you have planned.

I hope this guide gives you a sense of whether I'm the right photographer for you.

MEET MARIA

I am a Texas girl and I still find it hard to adapt to Ohio winters. I am a lover of photos. I've had a camera at hand since high school. In 2001, I photographed my first wedding. It was so much fun and it was on that day that I truly fell in love with photographing weddings.

My passion for wedding photography comes from a need to challenge myself and to create beautiful images that my clients will treasure for generations to come.

Getting to know each couple and their unique story is my favorite part of the job, and I'm secretly super pumped to meet their family and friends!

I value my clients, I am thrilled by their love, and I delight in being a small part of their most magical day.

I can't wait to meet you and work together!

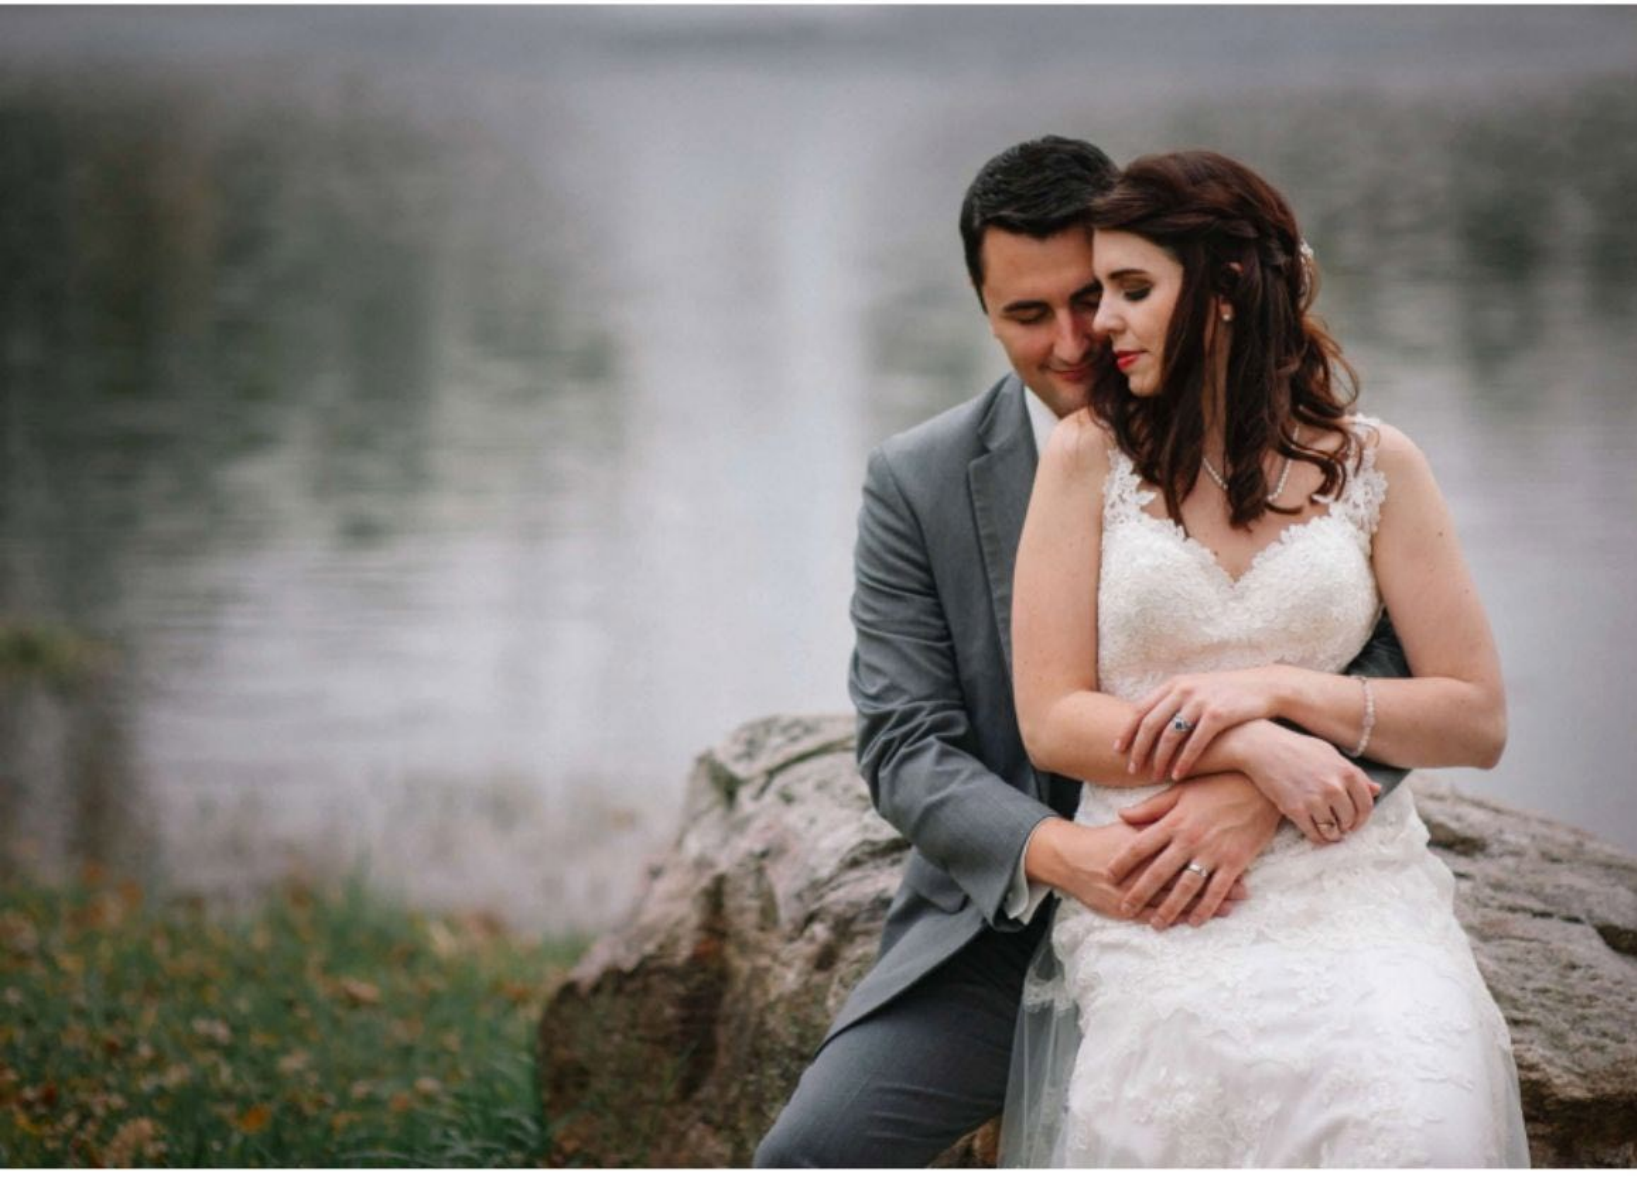
ELIZABETH & NICHOLAS



Maria did an amazing job! She was able to capture every moment and include sweet moments with each of our guests. We had been in many past weddings where the photos took hours and the total process was chaos. This was not the case with Maria. She is very prepared and knows exactly how to make everyone look their best.

My husband and I even got to **spend some time at our cocktail hour** (*which was planned time for photos*) because Maria did such a great job with time management. Our images were beautiful and we would highly recommend Maria!

BEBE & AARON

Maria is an amazing photographer and we are so happy that she was able to capture our entire wedding day.

She is a very hands-on, thoughtful, creative, and detail-oriented person. We enjoyed working with her very much. After a few meetings, we were comfortable with our plan for the wedding day. The pictures are simply beautiful.

One of my favorite pictures is during the Lao su kwan and Maria is at the end of the isle and she is taking a loverly picture of the entire room. It captured how beautiful the Palm House was that night and us surrounded by all our loved ones. Thank you for everything.

SUMMER & SCOTT

Maria Hall was such a pleasure to work with!

I was initially hesitant for any photographer to photograph our day due to the fact that my husband and I are both disabled. Knowing we wouldn't be able to pull of many traditional poses, I was worried about how they would turn out.

Meeting Maria, I voiced my concern and she helped my husband and I brainstorm different ideas and was extremely open to anything. I am so thankful to have had Maria through this process; her pictures of our day were stunning!! I don't think there was one bad photo! She captured the love so beautifully, I would highly recommend her for any future photos!

FAQ

Questions? Send us a message. I am always happy to help!

DO YOU TRAVEL FOR DESTINATION WEDDINGS?

Of course! We love to travel and have plenty of experience photographing weddings outside our zip code. Destination weddings are some of our favorite events to plan!

CAN WE BOOK YOU FOR ONLY A FEW HOURS?

Yes, you can book me for as few as three hours or a custom amount of time.

HOW MUCH DO YOU EDIT YOUR PHOTOS?

Editing and post-processing is the most time intensive part of your wedding collection as we work very hard to ensure that every image meets our artistic standards. I am an expert in Photoshop and have been using it professional for many years - as such, I hold myself to a very high standard when editing images for my clients.

Unlike many photographers, I never us any sort of automated software when editing wedding images. I edit each and every final images individually and by hand.

DO YOU PROVIDE ALBUMS?

I do, but albums are not included in our collections - they must be purchased separately. Wedding Albums are a wonderful keepsake and will allow you to revisit your wedding day again and again over the years, and will be treasured by your family for generations to come.

F A Q

Questions? Send us a message. I am always happy to help!

DO I HAVE TO USE YOUR STUDIO FOR MY PRINTS?

Your gallery will include the option to purchase prints, products, albums, and much more - but you have no obligation to purchase any of those items through your gallery. All of our wedding collections include a rights release allowing our clients to print their images, save them, post them, share the, etc., in any way they choose.

DO YOU SHOOT IN COLOR AND BLACK & WHITE?

We shoot digitally, which means that we can provide you with images in color, black & white, or any other variation. That is the beauty of shooting digitally - it allows us to edit and post-process all of the images in whichever way is best.

HOW LONG DOES IT TAKE TO EDIT MY PHOTOS?

We will start the editing process of your wedding or engagement images almost immediately after the event. While this process may take anywhere from 4-6 on average, during our busier times it may occasionally require 6-8 weeks to complete all of the edits.

But never fear! I love to post occasional teaser images along the way!

HOW MANY WEDDINGS DO YOU PHOTOGRAPH?

I LOVE what I do, and put my heart and soul into every wedding I'm lucky enough to photograph. Because of the amount of time and individual focus I want to put into each and every wedding, I typically limit the number of weddings I shoot each year to no more than 25 or so. This way every wedding I photography receives all the attention and time it deserves.

SAMANTHA & RYAN

I planned my wedding in Ohio from California and Maria was wonderful to work with.

She was super quick to respond to emails and had everything set and ready to go on the wedding day. She was really receptive to my ideas and really captured our photos the way I wanted them, they're so beautiful! One of the best parts was how quickly our pictures were ready to view after the wedding!

THE WEDDING ITSELF WENT BY SO FAST, I MISSED SO MUCH, BUT BECAUSE OF HER, I CAN RELIVE THE DAY FOREVER. SHE CAPTURED EVERYTHING AND THE QUALITY OF THE PHOTOS; I CAN'T EVEN BEGIN TO EXPLAIN. WILL DEFINITELY BE HIRING HER AGAIN FOR THE FUTURE.
